Hello,

I hope you have all had a good summer!

As everything gets back to normal after the holidays and we have to resign ourselves to the fact that summer is over, we should now be packing away the white jeans & summer skirts to make way for warmer clothes.

It is a good time to reassess our wardrobe. What didn't we wear last year? What is now too big or too small? De-clutter and organise your wardrobe with clothes that suit your lifestyle and will compliment each other.

Now is the time to invest in a quality coat and raincoat as well as accessories that befit the season. Already, I have a good selection of cashmere, suits, coats & lots of lovely handbags.

Naturally they're all at great prices too!

AUTUMN BEST BUYS

TODS

This lovely Tod's handbag in baby blue leather is a steal at £35. It has the Tod's logo stamped inside and out and has a magnetic fastening.

KAREN MILLEN

Aren't these Karen Millen size 7/40 gold gladiator sandals divine? They're £49 and terribly sexy.

SAVE THE QUEEN

This Save the Queen dress has a low back & cut-out shoulders. Priced at £89, it will look stunning on a size 12 to 14.

GUCCI / CAROLINA HERRERA

These 3 lovely little genuine Gucci and Carolina Herrera handbags are £45 each or less.

OASIS

This Oasis silky dress is size 14 and £26. It is very versatile, suitable over trousers or with black tights. It would also look good with a wide belt.

LK BENNETT

These are part of my selection of LK Bennett shoes and handbags. Quality shoes in a selection of colours and currently in sizes 5/38 and 6/39.

NICOLE FARHI

This Nicole Farhi full length leather coat is small but gorgeous. It is felt lined and beautifully soft. Price £175
